- 1) From the 2nd semester of the 2023 academic year, the Seoul campus weekday (9:00-18:00) timetable will be reorganized into a single 75-minute module.
- 2) The timetable for Sejong Campus and seasonal semesters will remain the same.
- 3) The 75-minute module break is 15 minutes and the 50-minute module break is 10 minutes.
- 4) 1-credit and 2-credit courses may be operated as 50-minute classes within a 75-minute module or as 100-minute classes through two periods of lectures, depending on the characteristics of the individual course, so be sure to refer to the class time operation guide for each individual course.
- 5) Classes assigned to the 0th period may operate at different times depending on the department and course, so be sure to refer to the class schedule for each course.
